

You have a destiny! There is a task you have to do, but even more, there is something you were born to be – to embody the Father in a unique, personal way to those around you. Have you discovered that call?

Professional Coaching through CMI Bridges Life Purpose Coaching Package

The life purpose coaching package is built for discovering your unique destiny. You'll clarify your values, record what has been revealed to you over the years, discover your strengths and mine your life experiences for clues to your destiny. As you work through these tools, the picture of who you are and what you were made for will begin to come into focus. You'll learn how everything in life – your gifts, strengths, life experiences, desires, and even great pain and loss – is woven into the part you have to play in the larger story of redemption.
