

Many cross cultural workers are looking for personal development that can be done at a distance, help with goal attainment in their work, or real change in their personal lives but need the support and encouragement of a coach, along with focused action planning, to see those goals and dreams become reality.

## Professional Coaching through CMI Bridges Custom Coaching Package

The custom coaching package allows you and your coach to define your individualized change goal and develop an action plan to help you achieve it. Your goal is up to you: perhaps you would like to work on personal goals such as developing a more healthy lifestyle in order to finish well, a more consistent devotional life, or better parenting skills. Or you may choose to focus on increasing your effectiveness as a leader, working with your team, or widening the scope of your role or responsibilities. Whatever your goal, your coach will partner with you in helping you carefully define your objectives, and plan a series of action steps to achieve them.

CMI is committed to providing accessible coaching for those working cross culturally: we keep our fees low (for most packages, only \$25 U.S. per session plus application fee!\*) by raising support. There's no reason not to start your coaching adventure now!

### Your Custom Coaching Package includes:

- Wheel of Life and Reflections for Goalsetting
- Initial 90 minute coaching session to identify your individualized change goal
- 7 additional 60-75 minute sessions with your coach scheduled based on your convenience and your coach's availability
- Email access to your coach as needed

For only \$25 per session, you can opt to continue meeting with your coach for as long as you like, or until your goal(s) are completed!
